

BACKPACKERS ACCOMMODATION IN EAST LONDON, SOUTH AFRICA

East London is a sunny little port city in SA's Eastern Cape province, roughly half-way between Cape Town and Durban. If you're travelling as part of a gap year or are just on a tour of South Africa, it's a great place to chill out for a while & experience some comfortable, inexpensive African beach living.

Sugar Shack is spectacularly situated on a sand dune literally within spitting distance of Eastern Beach, yet only a few minutes' walk from restaurants, pubs, clubs and supermarkets. We're also within easy walking distance of the inter-city bus terminus and East London's very own little Aquarium, complete with jackass penguins and performing seals!

The backpackers is in the original life-savers' building, which has a cool sun deck, big comfy TV area, (very cool) lookout tower, and clean, comfy, rustic accommodation. Check out the surf, tanned bods and the ships going in & out the harbour, or just watch the whales & dolphins go by.

Our hostel offers excellent value for backpackers - wake up to the sound of surf for as little as US\$7 per day! We have camping, dorms, and cute log cabins which sleep 2 and have their own balconies with five-star views.

It's self-catering accommodation at its best & we have a well-equipped guest kitchen. If you prefer to eat out, Buccanneers Pub & Grill is right next door (FREE BEER with your meal if you're staying at Sugar Shack), and there's more pubs, restaurants & take-aways up the road. We've got a fully-licensed bar at the backpackers which goes off regularly, and our friendly staff are on hand to make your stay enjoyable, and maybe kick your ass at pool (the table's free).

We're a Baz Bus stop, or if you're travelling by mainline bus, the terminus is just around the corner. We can help get the best rates on car hire & assist with expert travel advice.

East London's a well-known surf spot - Sugar Shack's an integral part of the local surfing culture where surfers often meet. Learn to surf with lessons from qualified instructors, as well as other fun, inexpensive activities such as sand-boarding on Bonza Bay's massive dunes, visits to the Lion Park (play with baby lions!), horse rides, drum-making and quad-biking.

So get here soon, but watch out - you might forget to go home!
